

EXAM CELL – RULES AND REGULATIONS

Prince Shri Venkateshwara Padmavathy Engineering College

(An Autonomous Institution)

1. Objectives of the Exam Cell

- To plan, coordinate, and execute all academic assessment-related activities in accordance with autonomous regulations approved by the Academic Council and affiliating university.
 - To ensure confidentiality, transparency, and timely conduct of examinations.
-

2. Structure of the Exam Cell

- **Controller of Examinations (CoE)** – Head of Exam Cell and responsible for the entire examination process.
 - **Additional CoE & Deputy CoE** – Assigned to coordinate exam-related activities.
 - **Support Staff** – To assist with logistics, document handling, and data entry.
-

3. Responsibilities of Exam Cell

- Framing examination schedule (CIAT, End Semester) and ensuring its adherence.
 - Preparation and dispatch of hall tickets.
 - Collection and review of question papers for internal and end-semester exams.
 - Maintaining a secure database of question banks and student performance records.
 - Facilitating the smooth conduct of Central Valuation and result processing.
 - Issuing mark sheets, provisional certificates, and transcripts.
-

4. Internal Assessment (CIAT – Continuous Internal Assessment Test)

- Three CIATs to be conducted every semester as per academic calendar.
 - CIAT marks are to be calculated based on written tests, assignments, seminars, lab performance, etc.
 - Students must secure minimum prescribed CIA marks (as per regulation) to qualify for End Semester Examination.
-

5. Question Paper Preparation

- Faculty to submit question papers in a prescribed format, mapped with Course Outcomes (COs) and Bloom's Taxonomy.
 - Each question paper must be moderated by a panel (HoD, senior faculty, CoE nominee).
 - Question papers should reflect appropriate levels of difficulty and outcome-based assessment.
-

6. Conduct of Examinations

- Examinations to be held strictly as per the exam timetable.
 - Faculty invigilators must report at least 30 minutes before exam time.
 - Students must carry valid hall tickets and ID cards.
 - Seating arrangements and invigilation duty rosters are to be handled by the Exam Cell.
-

7. Evaluation and Result Processing

- Central valuation is conducted in a secured and monitored environment.
 - Results are to be processed using in-house/exam software under strict confidentiality.
 - Results to be published after approval by the Results Passing Board and Academic Council.
-

8. Malpractice and Disciplinary Action

- Any malpractice or violation of exam rules by students or staff will be dealt with strictly.
 - The Malpractice Committee will investigate and recommend disciplinary actions.
 - Penalties include cancellation of exam, debarment, or any action as per college regulations.
-

9. Record Maintenance

- All examination records (question papers, attendance, answer scripts, mark statements) shall be preserved for a minimum of **5 academic years**.
- Soft copies of results and mark registers must be backed up securely.
